Dear Dr. Alessandro Mario Di Giulio,

On behalf of NAHRIM, Ministry of Natural Resources and Environment and Academy of Sciences Malaysia, the organizer for the Colloquium of Lakes and Reservoir Management, I would like to thank you for your contribution to the colloquium which was held from 2nd to 3rd August 2007.

The colloquium on Lakes and Reservoir Management would not be a success without your involvement and support in this field. I am sure the input and knowledge gained from the colloquium will help us to further solve and develop management requirements for lakes in our country.

I look forward to continued and satisfying working relationship with you and your organization.

Thank you.

Best Regards,
